Requirements: You must be currently working as a certified Paramedic under an OBHG (Ontario Base Hospital Group) affiliated Base Hospital.

Don't miss this chance to be part of Perth County Paramedic Services - a leading organization that values its employees and promotes a culture of continuous learning and growth.

WHY CHOOSE PERTH COUNTY PARAMEDIC SERVICES?

STREAMLINED APPLICATION PROCESS:

We understand your time is valuable. That's why we've made our application process quick and hassle-free. Submit your resume and cover letter, and let us take care of the rest.

COMPREHENSIVE RECRUITMENT AND ORIENTATION

Joining our team means receiving the necessary support and guidance from day one. Our recruitment process includes a thorough interview to assess your skills and suitability for the role. Upon selection, you'll participate in a 3-day in-class orientation that equips you with the knowledge and tools required for success. Expenses related to recruitment including successful completion of SWORBHP Testing, AIV Certification and OPPAT testing will be reimbursed upon successful completion of the orientation process.

GAIN REAL-LIFE EXPERIENCE:

As part of our commitment to your growth, we provide five third person ride-out shifts. This hands-on experience allows you to learn from seasoned Perth County Paramedics, enhancing your skills and confidence on the job.
